Review for MICHAEL ALFORD

## Self/peer assessment

Evaluate your own contribution and your team member's contributions and provide feedback on areas for development, based on your/their fulfilment of the team charter

Self/peer assessment · Rubric criterion

### Given ratings

Expected standard - You/your team member:

- Identified their responsibilities
- Completed all tasks within timelines agreed to in the team charter
- Attended team meetings and participated in team discussions
- Treated team members with respect
- Attempted to address team issues or solve team problems

While our group planned the workload in the initial meetings, completion of the task was a little bit tricky as one of our group members dropped out of the unit at the last minute.

Compliment

Angus did well in picking up the gaps left by our vacating member, and requested feedback from staff on actions around correcting for this.
